CAT Rental Store**

Thompson Machinery has recently opened a CAT Rental Store. Bubba Dean serves as the manager.

According to East Mississippi Rental Manager Keith Peavy, "We'll get a lot more exposure around here with Bubba being able to present business construction and compact construction machines along with larger excavators and machines from other manufacturers. In order to help Bubba have enough machines available we've really bumped up our inventory to accommodate these new businesses."

"Our store opened March 15," Bubba says. "We can now offer North Mississippi customers everything from a little 216 to a 725 Off-Road truck. And, you can rent them by the day, week, or month."
